- New Assets will be calculated by adding the total amount of Qualifying Investments in Qualifying Accounts during the Offer Period. For example, if you add funds to a non-registered account, a TFSA and an RRSP during the Offer Period, each Qualifying Investment amount will be aggregated for the purpose of this Offer.
- The Bonus earned will be calculated based on the aggregate amount of all qualifying New Assets into Qualifying Accounts during the Offer Period. For example, if you transfer in \$5,000 into an RRSP and \$5,000 into a TFSA, the Bonus amount will be \$100, based on the combined New Assets amount of \$10,000.
- The Bonus will be paid on a pro rata basis into each Qualifying Account as a percentage of the total Bonus. For example, if you transfer in \$40,000 into a nonregistered account and \$80,000 into an RRSP, the Bonus amount will be \$1,200 based on the combined New Assets amount of \$120,000. The nonregistered account will receive \$400 and the RRSP will receive \$800 for a total Bonus of \$1,200.
- Only one Bonus per client will be awarded during this promotion. For joint accounts, the Bonus amount will be paid to the joint account. For corporate accounts, only one Bonus will be awarded to the entity.
- The amount of any transfer fee charged by the External Financial Institution will be credited to a Qualifying Account, up to a maximum total credit of \$150 per client (even if the aggregate External Financial Institution fees are higher than \$150) (the “**Transfer Fee Rebate**”). The Bonus and Transfer Fee Rebate offers are the only offers that can be combined.
- New Assets transferred in or deposited must remain in your account(s) until at least July 31, 2026. Any withdrawals or transfers out prior to this date will decrease the eligible New Assets qualified for the Offer.
